

## Inform for trade statistics providing data archiver changes

October 2013

We thank you for your patronage of trade statistics Download and CD-ROM service. We would like to inform that archiver and folder structure modify from October 2013.

### 1.Intended Service

Exports & Imports Download and CD-ROM service

Customs Data Download and CD-ROM service

### 2. Changed contents (Exports & Imports/ by Customs)

#### For CD-ROM user

Destination of files and folder changes.

For example, contract for by customs, import section 11 and export section 11. Providing September 2013 import provisional data, September 2013 export detailed data and August 2013 import detailed data. Following are new file composition.

#### SEP2013

- EXPORT - 201309EP11.TXT
- IMPORT - P201309IP11.TXT and 201308IP11.TXT

As previously described, just below SEP2013 folder, subfolder IMPORT folder and EXPORT folder exist. In the IMPORT folder, files of September 2013 import provisional data and August 2013 import detailed data stored.

\*For customer whom had particular folder structure, we do not change folder structure.

#### For Download user

Changes archiver to zip file.

Import previous month detailed data and Import current month provisional data zip in one file.

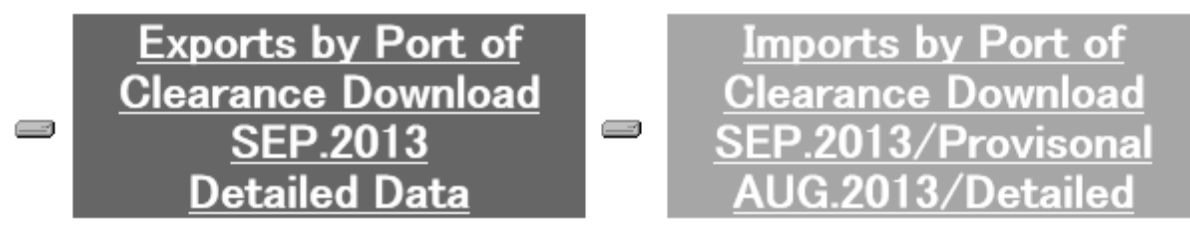

Until now, download 3 files from our web site. 3 files are Import previous month detailed data, Import current month provisional data and export current month detailed data. We have changed Import data, Import previous month detailed data and Import current month provisional data zip in one file. From 30th October, download data are just separate into two, Export data and Import data. Below are the images for website.

### 1. Web site image for Customs data Monthly Data Download

past information

---
